

Capability Statement

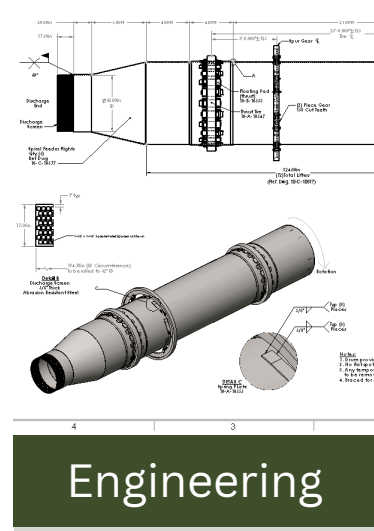

www.Finchmt.com

Finch Manufacturing & Technology, LLC designs, manufactures, and assembles large equipment, parts, and systems with expertise in rotary processing equipment. Finch manufactures parts from inches and ounces to feet and tons. Our manufacturing capabilities and project management skills enable Finch to design, build, and install components for complex projects ranging from fragmentation chambers to stainless steel animal pens.

Core Competencies

Manufacturing

- Industrial Kilns, Dryers, & Components
- Metal Part & Component Manufacturing
- Machining Shafts up to 66" in Diameter
- Base Frames & Heavy Support Structures
- Welding, Drilling, Bending & Assembly
- Custom Nuts, Bolts, & Fasteners
- Mining, Drilling, & Power Equipment
- Afterburners (APE)
- DEMIL Operations & Fragmentation Chamber
- Stop Logs, Culvert Valves, Screens, & Augers

Field Service

- Installation Support & Project Management
- Repairs (Emergency & Planned)
- Inspections & Process Improvement

Engineering

- In-House Engineering & Design
- Reverse Engineering of Components

Past Performance

- USDA-Manhattan, KS: Modular Stainless Steel Swine Penning
 - Contract(s): 12805B20Q0116, 12805B 21Q0194, modifications for 12895B21C0010
 - Total Amount: \$1,129,613
- US Army-Toole, UT: APE Afterburners
 - Contract: W52P1J20C3004
 - Amount: \$609,000
- USCG-Baltimore, MD: 87' Lifting Sling System
 - Contract: 70Z04021P63965Y00
 - Amount: \$165,345
- US Army-Tobyhanna, PA: Reverse Engineered Trailer Shock Towers
 - Contract: W25G1V23Q00G9
 - Amount: \$19,250

CAGE Code: 7CFEG UEI: PNEZGWQUN7JD

NAICS CODES

- 333994** Industrial Process Furnace and Oven Manufacturing
- 333998** Other Miscellaneous General Purpose Machinery Manufacturing
- 332312** Fabricated Structural Metal Manufacturing
- 332410** Power Boiler and Heat Exchanger Manufacturing
- 332439** Other Metal Container Manufacturing
- 332710** Machine Shops
- 332721** Precision Turned Product Manufacturing
- 332999** Other Miscellaneous Fabricated Metal Product Manufacturing
- 333131** Mining Machinery and Equipment Manufacturing
- 333722** Bolt, Nut, Screw, Rivet, and Washer Manufacturing
- 333922** Conveyor and Conveying Equipment Manufacturing
- 541330** Engineering Services
- 562213** Solid Waste Combustors and Incinerators

Differentiators

- SDVOSB- Certified
- ISO 9001:2015 Certified Company
- In-House Engineering & Manufacturing
- Proven Performance with Army/USCG/USDA in High Risk Environments
- In Business Since 1855
- Excellent Customer Service
